Teacher's Day *Special*

Teachers are the guiding light in everyone's life.
They nurture the young citizens of the nation.

A teacher is like Spring,
Who nurtures new green sprouts,
Encourages and leads them,

Whenever they have doubts. A teacher is like Summer,
Whose sunny temperament
Makes studying a pleasure,

Preventing discontent. A teacher is like Fall,
With methods crisp and clear,
Lessons of bright colors

And a happy atmosphere. A teacher is like Winter,
While it's snowing hard outside,
Keeping students comfortable,

As a warm and helpful guide.
Teacher, you do all these things,
With a pleasant attitude.
