## Foundation Day Celebration April 13, 2017

*The Foundation Day at R.E.D. School was celebrated on 13th April with enthusiasm, fun & frolic. As it is truly said "It is very important to know where you've come from", keeping the same thought in mind we reminded how the school was formed before 30 years. We reflected on the very early days of the school & how far we have come as a school community. The energy & passion of the teachers and students were visible in the performances that they put up. On this occasion, the special morning assembly started with a **Hawan** followed by a quiz, dance and a skit, while the dance performance by the students entertained the gathering a lot. The English skit forwarded an important message about the importance of Motherland. The group dance presented by the students was dedicated to 'Baisakhi', the festival of farmers. This festival is celebrated all over North India and is also known as the beginning of "Punjabi New Year". Mr. J.S. Ahlawat, Director of R.E.D.
